Present situation and main responsibilities

As counsellor in the Economic Research and Statistics Division of the World Trade Organization, my main responsibilities currently include:

- to coordinate and contribute to the World Trade Reports (the WTO flagship publication), I was one of the two co-ordinators of the 2016 World Trade Report entitled "Levelling the trading field for SMEs" and of the 2017 World Trade Report entitled "Trade, technology and jobs";
- to coordinate joint research projects with the ILO, I recently co-authored and co-edited the joint report entitled "Investing in skills for inclusive trade";
- to coordinate research and analysis on Non Tariff Measures, I'm part of the multilateral agencies team coordinating the revision of the international classification of NTMs;
- to support the WTO dispute settlement mechanism by contributing economic expertise on specific cases.
